

VEDA HYDRATION

INTRAMUSCULAR SHOTS & IV ADD-ONS

1 for \$20 | 3 for \$50 | 4 for \$65 | 5 for \$80

B12 Ⓢⓐ

An essential vitamin involved in many cell processes. Adding this injection allows for your liver to store additional B12 to keep you feeling better for longer!

SUPPORTS: Energy levels, mood, and red blood cell production. Gut health, healthy hair, skin, & nails, nervous system & heart health, production of serotonin, dopamine, and melatonin.

G-SHOT Ⓢⓐ

Glutathione is your body's strongest antioxidant.

SUPPORTS: Immune system function, energy, mental focus & clarity, quality of sleep, skin, & liver detoxification.

REDUCES: Damage from free radicals, effects of stress, muscle & joint discomfort, effects of aging process.

PEPCID ⓐ

Ant-acid stomach medication.

REDUCES: Nausea, heartburn, upset stomach, headaches/migraines.

MIGHTY MAG Ⓢⓐ

Magnesium is needed for over 300 processes in the body. It helps to keep your heartbeat steady, and helps your bones remain strong.

SUPPORTS: Nerve and muscle function, blood sugar balance, a calm nervous system, deep sleep patterns, immune system & digestive function.

REDUCES: Pain, muscle aches, headaches, PMS symptoms, and muscle inflammation.

B COMPLEX Ⓢⓐ

All 6 B vitamins, vital to maintaining good health.

SUPPORTS: New cell growth, healthy metabolism, healthy hair, skin & nails, balanced mood, mental clarity, digestive & nerve function.

ZOFRAN Ⓢⓐ

Stomach medicine. Not for patients with long QT syndrome.

REDUCES: Nausea, upset stomach, vomiting, headaches/migraines.

CoQ10 Ⓢ

A strong antioxidant naturally occurring in the body, production decreases as we age. These injections can decrease damage from free radicals, improve the skin, and aide in weight loss.

SUPPORTS: Increased energy and stamina, mental clarity, heart health, skin quality.

REDUCES: Joint aches & pains, headaches, damage from free radicals.

BIOTIN ⓐ

An essential B vitamin.

SUPPORTS: Not only does Biotin support the health of your hair, skin and nails, it also helps to support a healthy liver, nervous system, eyes, and steady blood sugar levels.

TORADOL Ⓢⓐ

Anti-inflammatory, non-narcotic pain medication.

REDUCES: Inflammation, mild muscle aches and pains, headaches/migraines.

Ⓢ INTRAMUSCULAR SHOT ⓐ IV ADD-ON

VEDA HYDRATION

IV THERAPY TREATMENT SERVICES

OPTIMAL NAD+ | \$600

500mL, NAD+, b12, b complex, stomach medicine, anti-inflammatory medicine

Nicotinamide adenine dinucleotide (NAD) is a coenzyme involved in cellular energy production, as well as other cellular functions that are critical for homeostasis and healthy aging. IV NAD+ treatments also help with cognitive function, stress, mental clarity, effects of chronic conditions, focus and attention span, sleep regulation, athletic performance and recovery, energy levels, among many other benefits.

SIDECAR | \$220

1000mL, b12, b complex, b5, b6, vitamin c, magnesium, calcium

Just like a proper bloody mary deserves a sidecar, so does your body. Our modified Myers' Cocktail is full of vitamins and minerals that can help you bounce back from a rough night out, or prep for the time of your life. Myers' Cocktail has been clinically proven to help with fatigue, immunity, headaches, muscle aches, athletic recovery, mood, and hangovers.

THE PREGAME | \$180

1000mL, b complex, b12, magnesium, vitamin c

Prep your body for a big night out or a busy schedule, decrease your downtime, maintain balance, and get the most out of life. The pregame hydrates all your systems while providing an energy and metabolism boost, relaxes the muscles, regulates blood sugar, and improves immunity.

PARTY PACK | \$160

1000mL, b12, b complex, +1 add-on

The essential drip to give yourself a boost after a long night or weekend! Pure hydration with a metabolism and energy boost, plus your choice of one add-on. Pick from headache or nausea/stomach medicine, or add glutathione for an immunity boost. You'll feel energized, refreshed and find relief from headaches, fatigue, or nausea.

THE WORKS | \$250

1000mL, b12, b complex, b5, b6, vitamin c, magnesium, calcium, zinc, glutathione

All the benefits of the Sidecar IV drip with added immune support from zinc and glutathione, your body's strongest antioxidant. This IV covers all your bases and takes the gold standard to another level. Great for athletic or medical recovery, muscle aches and pains, headaches, energy and metabolism boosts, and hangovers.

RECHARGE | \$200

1000mL, b12, b complex, vitamin c, glutathione x2

This drip is streamlined to focus on giving you the big energy and immunity boost you need to ward off life's stressors. We doubled glutathione to give you the maximum benefit of this antioxidant powerhouse.

THE GLOW UP | \$180

1000mL, biotin, b complex, vitamin c, glutathione

Your skin is your biggest organ and for everything the elements put it through, it deserves a little TLC. Our Glow Up IV drip leaves your skin hydrated while fighting off damage from free radicals, improving elasticity, and promoting new cell growth. The boost your immune system will receive helps to treat symptoms of psoriasis, eczema, dry skin, and acne.

IMMUNOBOOST | \$180

1000mL, vitamin c, zinc, b complex, glutathione

Feeling under the weather? Get the benefits of natural immunity boosters to help your body kick the crap. Pure hydration with a serious dose vitamins, nutrient and antioxidants will get you back on the grind in no time.

BABY MOMMA BAG | \$160

1000mL, b12, b6, magnesium

A bag made specially for our pregnant patients! All patients receiving this drip will need clearance from their OB and will need to provide their name and phone number to our wellness provider.
