## INTRAMUSCULAR SHOTS & IV ADD-ONS

1 for \$20 | 3 for \$50 | 4 for \$65 | 5 for \$80

### **B12**

*intramuscular shot or iv add-on*

An essential vitamin involved in many cell processes. Adding this injection allows for your liver to store additional B12 to keep you feeling better for longer!

**SUPPORTS:** Energy levels, mood, and red blood cell production. Gut health, healthy hair, skin, & nails, nervous system & heart health, production of serotonin, dopamine, and melatonin.

### **G-SHOT**

*intramuscular shot or iv add-on*

Glutathione is your body's strongest antioxidant.

**SUPPORTS:** Immune system function, energy, mental focus & clarity, quality of sleep, skin, & liver detoxification.

**REDUCES:** Damage from free radicals, effects of stress, muscle & joint discomfort, effects of aging process.

### **PEPCID**

*iv add-on*

Ant-acid stomach medication.

**REDUCES:** Nausea, heartburn, upset stomach, headaches/migraines.

### **MIGHTY MAG**

*intramuscular shot or iv add-on*

Magnesium is needed for over 300 processes in the body. It helps to keep your heartbeat steady, and helps your bones remain strong.

**SUPPORTS:** Nerve and muscle function, blood sugar balance, a calm nervous system, deep sleep patterns, immune system & digestive function.

**REDUCES:** Pain, muscle aches, headaches, PMS symptoms, and muscle inflammation.

### **B COMPLEX**

*intramuscular shot or iv add-on*

All 6 B vitamins, vital to maintaining good health.

**SUPPORTS:** New cell growth, healthy metabolism, healthy hair, skin & nails, balanced mood, mental clarity, digestive & nerve function.

### **ZOFRAN**

*iv add-on*

Stomach medicine. Not for patients with long QT syndrome.

**REDUCES:** Nausea, upset stomach, vomiting, headaches/migraines.

### **CoQ10**

*intramuscular shot*

A strong antioxidant naturally occurring in the body, whose production decreases as we age. These injections can decrease damage from free radicals, improve the skin, and aide in weight loss.

**SUPPORTS:** Increased energy and stamina, mental clarity, heart health, skin quality.

**REDUCES:** Joint aches & pains, headaches, damage from free radicals.

### **BIOTIN**

*iv add-on*

An essential B vitamin.

**SUPPORTS:** Not only does Biotin support the health of your hair, skin and nails, it also helps to support a healthy liver, nervous system, eyes, and steady blood sugar levels.

### **TORADOL**

*intramuscular shot or iv add-on*

Anti-inflammatory, non-narcotic pain medication.

**REDUCES:** Inflammation, mild muscle aches and pains, headaches/migraines.

*keeping you balanced*

## IV THERAPY TREATMENT SERVICES

### THE WORKS | \$250

1000mL, b12, b complex, b5, b6, vitamin c, magnesium, calcium, zinc, glutathione

All the benefits of the Sidecar IV drip with added immune support from zinc and glutathione, your body's strongest antioxidant. This IV covers all your bases and takes the gold standard to another level. Great for athletic or medical recovery, muscle aches and pains, headaches, energy and metabolism boosts, and hangovers. It includes B12, B complex, B5, B6, Vitamin C, Magnesium, Calcium, Zinc, and Glutathione.

### RECHARGE | \$200

1000mL, b12, b complex, vitamin c, glutathione x2

This drip will boost your immune system, energy levels and metabolism to give your body the all around recharge it needs! The Recharge includes B12, B complex, Vitamin C and a double dose of Glutathione.

### THE PREGAME | \$180

1000mL, b complex, b12, magnesium, vitamin c

Prep your body for a big night out or a busy schedule, decrease your downtime, maintain balance, and get the most out of life. The pregame hydrates all your systems and provides an energy and metabolism boost from B complex and B12, while Magnesium relaxes muscles and regulates blood sugar, and Vitamin C improves immunity.

### PARTY PACK | \$160

1000mL, b12, b complex, +1 add-on

The essential drip to give yourself a boost after a long night or weekend! Pure hydration with energy and metabolism boosting B12, and B complex, plus your choice of one add-on. Pick from headache or nausea/stomach medicine, or add Glutathione for an immunity boost. You'll feel energized, refreshed and find relief from headaches, fatigue, or nausea.

### SIDECAR | \$220

1000mL, b12, b complex, b5, b6, vitamin c, magnesium, calcium

Just like a proper bloody mary deserves a sidecar, so does your body. Our modified Myers' Cocktail is full of vitamins and minerals that can help you bounce back from a rough night out, or prep for the time of your life. Myers' Cocktail has been clinically proven to help with fatigue, immunity, headaches, muscle aches, athletic recovery, mood, and hangovers. The Sidecar includes B12, B complex, B5, B6, Vitamin C, Magnesium, and Calcium.

### THE GLOW UP | \$180

1000mL, biotin, b complex, vitamin c, glutathione

Your skin is your biggest organ and for everything the elements put it through, it deserves a little TLC. Our Glow Up IV drip leaves your skin hydrated while fighting off damage from free radicals, improving elasticity, and promoting new cell growth. The boost your immune system will receive helps to treat symptoms of psoriasis, eczema, dry skin, and acne. The Glow Up contains Biotin, B Complex, Vitamin C, and Glutathione.

### IMMUNOBOOST | \$180

1000mL, vitamin c, zinc, b complex, glutathione

Feeling under the weather? Get the benefits of natural immunity boosters to help your body kick the crap. Pure hydration with a serious dose of Vitamin C, Zinc, B complex, and your body's strongest antioxidant, Glutathione, will get you back on the grind in no time.

### BABY MOMMA BAG | \$160

1000mL, b12, b6, magnesium

A bag made specially for our pregnant patients! All patients receiving this drip will need clearance from their OB and will need to provide the name and phone number of their OB to our wellness nurse. The Baby Momma Bag contains B12, B6, and Magnesium.
